

EXPRESSION OF INTEREST TO VISIT OUR PROJECTS

Thank you for expressing interest in visiting our projects. We have need for qualified people to go and share their skills with our team and local community. The specific areas of need include: medical, educational, building, gardening, farming, computing, musical, creative, sewing and much more.

Visiting any of our projects is an invitation process involving several steps. Step 1: Expression of Interest submission. Step 2: Application form submission. Step 3: Two referees and a police check. Note if planning to work with children then a working with children permit must also be supplied. Step 4: Interview. Step 5: Application assessment based upon situation in the field, the needs of the community and the requirements of Jacob's Well. Step 6: Invitation.

We do appreciate your patience. Please do not make final plans to visit our projects until you have received an invitation from us. Complete the following Expression of Interest Form and post to Jacob's Well PO Box 680 Glen Waverley Australia 3150.

Short and Long Term Visit Those visiting our projects, unless travelling with a parent or team, should be at least 18 years old.

We request that a first time visit is no longer than 3 weeks.

Please supply a copy of your personal testimony/resume, reason for the visit outlining your objectives along with a statement of your vision for working with Jacob's Well.

Costs You are responsible for all expenses incurred by your visit. Jacob's Well is a charity with very limited budgets. It will be your responsibility to obtain personal support prior to the commencement of your visit and for sponsorship of materials & other costs for any projects outside the scope of the current Jacob's Well plans. Supplies can be taken with you to the project at your own expense.

Requirements Current passport with at least 6 months remaining after your intended return home. Please check with your travel agent if you require a visa to travel to your destination and check with your doctor what vaccines are required.

Thank you again for your interest in what Jacob's Well is doing. Please do not hesitate to contact us with your further questions. info@jacobswell.org.au or phone 9803 6115.
